Who taught the sun where to stand in the morning?  
And who told the ocean you can only come this far?  
And who showed the moon where to hide till evening?  
who's words alone can catch a falling star?

Chorus:

Well I know my redeemer lives  
I know my redeemer lives  
All of creation testifies  
this life within me cries  
I know my redeemer lives

ye-e-eah  
The very same God  
that spins things in orbit  
runs to the weary, the worn and the weak  
and the same gentle hands that hold me when I'm  
broken  
they conquered death to bring me victory

Now I know, my redeemer lives  
I know my redeemer lives  
let all creation testify  
that this life within me cries  
I-I-I know  
my redeemer

He lives  
to take away my shame  
and he lives  
forever I'll proclaim  
the amount of pain that bought my sin  
was the precious life He gave  
and now he's alive and  
there's an empty  
grave!

And I know  
my redeemer lives  
I know  
my redeemer lives

let all creation testify  
that this life within me cries  
I-I-I know my redeemer

I know  
my redeemer lives  
I know my redeemer lives  
I know my redeemer lives  
He lives  
He lives  
\*I spoke with him this morning!\*He lives  
\*I'm gonna tell everybody
