I made you a list you can choose from  
To let me know what you want from me  
All you have to do is to choose one  
It's as simple as A B C

I could be  
A) lover  
B) true  
C) no one else but you

And if those choices aren't enough  
I could be  
D) evoted  
E) ternally to your love  
Or how about all of the above?

Any choice you make is the right one  
But if indecision has got you stressed  
I think I would go for the last one  
'Cause that one covers your bases best

I could be  
A) lover  
B) true  
C) no one else but you

And if those choices aren't enough  
I could be  
D) evoted  
E) ternally to your love  
Or how about all of the above?

This is the one time  
No matter how you can choose  
You can't lose
