All day long at the factory
I can't do my job
It's not at all like me
Counting minutes on the clock

I walk around, my guard down
Like a love sick fool
All because of mystical sweet little kissable
Irresistible you

I've lost all my self control
I'm like someone I don't know
One taste of your sweet lips
And I just can't help myself

Girl, you got me where you want me
I'm where I wanna be too
All because of mystical sweet little kissable
Irresistible you

I vowed I'd never take another chance
With this heart of mine
I'd have no part of romance
After being burned last time

Now here I am, my guard down
Like I swore I wouldn't do
All because of mystical sweet little kissable
Irresistible you

I've lost all my self control
I'm like someone I don't know
One taste of your sweet lips
And I just can't help myself

Girl, you got me where you want me
I'm where I wanna be too
All because of mystical sweet little kissable
Irresistible you

I've lost all my self control
I'm like someone I don't know

One taste of your sweet lips
And I just can't help myself

Girl, you got me where you want me
I'm where I wanna be too
All because of mystical sweet little kissable
Irresistible you

All because of mystical sweet little kissable
Irresistible you
