You Say You Love Me A Little  
You Say You Want To Stay Friends  
You Say You Don't Want No Strings Attached  
No One On You To Depend  
You See Love As A Prison, I See Love As A Key  
You Think A Little Is More Than Enough  
It's Not That Way For Me

Chorus

I Need To Be Loved Too Much  
I Need To Be Held Too Tight  
I Need To Hear Someone Say At The End Of The Day  
I'll Make Everything Right  
When The Rest Of The World Goes Home  
I Need To Feel Someone's Touch  
I've Been Alone Too Long, Now I Need To Be Loved Too  
Much

Too Much Sun Will Burn You  
Too Much Rain You'll Drown Too  
Much Cold Will Freeze You  
Too Much Wind Will Blow You Down  
But Love Is Something Different That Disregards The  
Rules  
You Call Me A Dreamer, But Sometimes Dreams Come  
True

Chorus

I Need To Be Loved Too Much  
I Need To Be Held Too Tight  
I Need To Hear Someone Say At The End Of The Day  
I'll Make Everything Right  
When The Rest Of The World Goes Home  
I Need To Feel Someone's Touch  
I've Been Alone Too Long  
Now I Need To Be Loved Too Much
