Err we gettin' in a brand new car
Well momma shakin' that thang like a star
She goes to work at the end of the song
She take it down low and mover her hips wit it
And then she take it down low and like her lips wit it
And then she take it down lower cause she jig wit it
She..She..She..Sik Wit It x2

Verse:

No chauefer stickshift the Mclaren
The benz with the doors up engine is roarin'
Walk pass the line tip my hat to the doorman
I move...A fourman...But I move with movement
The usual steppin' through the door
Cavalee on my feet yeah I'm steppin' through doors
Blue cork...no fit...tilt low
Cigars and roseys..but hey ya walk slow
Fade to the back
Keepin' that step
Women keep starin' and glarin' all in the back
Mommy walked over firm hard on my lap
She came with him...how he gonna act
I'm just starin' to see what he gonna do
I'm gonna tell him straight up like you be cool
Can't steal the chicks man I'm just trynna groove
Then watch your shorty take it down to the shoes

Chorus:

Hit the club I'mma buy up the bar
Err we gettin' in a brand new car
Well momma shakin' that thang like a star
She goes to work at the end of the song
She take it down low and mover her hips wit it
And then she take it down low and like her lips wit it
And then she take it down lower cause she jig wit it
She..She..She..Sik Wit It x2
