You've been whisperin' things  
I've never heard  
Love's been redefined  
It's more than just a word

I never thought I'd fall again  
But roads divide and new roads begin  
So it could take a lifetime  
To find someone like you

I've been lookin' for a love like that  
Once you start it, you can't turn back  
I get the feelin' that I'm lookin' at  
The answer to my prayers

'Cause when you lay me down  
You set me free  
My heart stops when you touch me  
I've been lookin' for a love like that

Each time it felt so right  
It always turned out wrong  
I know it was you  
I wanted all along

I thought it was impossible  
But I think I found my miracle  
I only needed someone who  
Needs me like you do

I've been lookin' for a love like that  
Once you start it, you can't turn back  
I get the feelin' that I'm lookin' at  
The answer to my prayers

'Cause when you lay me down  
You set me free  
My heart stops when you touch me  
I've been lookin' for a love like that

I want a earth shaker, a risk taker  
One hell of a love maker

Somebody that wants nobody but me

I've been lookin' for a love like that

'Cause when you lay me down  
You set me free  
My heart stops when you touch me  
I've been lookin' for a love  
I've been lookin' for a love like that

Love like that  
I've been lookin' for a love like that  
I've been lookin' for a love like that

Love like that  
I've been lookin' for a love like that  
I've been lookin' for a love like that

Love like that  
I've been lookin' for a love like that  
I've been lookin' for a love like that
