Everytime I wake up in the morning, God is there.  
In the sun, or even if it's storming, God is there.  
Even in a crowd, or if I'm all alone,  
He's still there, Sill there  
There's no place he'll let me go without him,  
Cuz he's everywhere, and I can't live without you.

I can't live  
I can't live without you  
I can't live  
I can't live without you  
I can't live  
I can't live without you  
I can't live  
I can't live

When I'm up, way up on the mountain top, god is there  
And yes when I'm low, way down in the valley,  
He's still there.  
I'm grateful for the love you give to me  
You've always been there in my time of need,  
And I can't live without you.

I can't live  
I can't live without you  
I can't live  
I can't live without you  
I can't live  
I can't live without you  
I can't live  
I can't live

I'm grateful for the love you give to me,  
You've always been there in my time of need,  
And I can't live without you.

I can't live  
I can't live without you  
I can't live  
X8

I can't eat  
I can't sleep  
I can't move  
I can't breathe  
I can't walk  
I  
Cant talk  
I can't think, I'm too weak
