There's some left over wine the cupboard
About a half a glass left for the road
Here's a toast to the time we were lovers
Then I'll go

Should I laugh or should I cry
Love you, hate you, live or die?

Is my heart half full or half empty?
Is our love like the wine in this glass?
You drink like there's no tomorrow
So sure it will always last

Will the memories taste sweet as they linger
Or the bitterness stay on my tongue?
Is my heart half full of the love you gave me
Or my heart half empty 'cause your love is gone?

Your bags are all packed in the hallway
The boxes are stacked on the lawn
You kissed me goodbye just like always
And you're gone

Trembling hands or nerves of steel
Someone tell me what to feel?

Is my heart half full or half empty?
Is our love like the wine in this glass?
You drink like there's no tomorrow
So sure it will always last

Will the memories taste sweet as they linger
Or the bitterness stay on my tongue?
Is my heart half full of the love you gave me
Or my heart half empty 'cause your love is gone?

Should I laugh or should I cry
Love you, hate you, live or die?

Is my heart half full or half empty?
Is our love like the wine in this glass?
You drink like there's no tomorrow

And we were so sure, so sure it would always last

Will the memories taste sweet as they linger
Or the bitterness stay on my tongue?
Is my heart half full of the love you gave me
Or my heart half empty, half empty?
Is my heart half empty, half empty
'Cause your love is gone?
