Don't need to be rich  
Don't have to be smart  
'Coz without even trying  
She can remind you  
How lucky you are

She's a beautiful thing  
And what makes it a crime  
Is I took someone I love  
Too long for granted  
No wonder she left me behind

Baby, if I could only have her love back  
I swear I'd change  
If she would give me one more chance  
And to lift her up where she belongs  
She loved me right and I loved her wrong

So I'm crying out for mercy  
What do I have to do to have her forgive me?  
I just wasted my time  
Wondering if I could only have her love back

She gave all of herself  
Always thinking of us  
Honesty was all she  
Ever wanted from me  
And I never gave her enough

Now it's easy to see  
But so hard to survive  
Oh, the one big mistake  
Is gonna mess up my heart  
For the rest of my life

Baby, if I could only have her love back  
I swear I'd change  
If she would give me one more chance  
And to lift her up where she belongs  
She loved me right and I loved her wrong

So I'm crying out for mercy

What do I have to do to have her forgive me?  
Am I just wasting my time  
Wondering if I could only have her love back?

I maybe dreaming  
Lying, deceiving myself  
But I still have to try  
Every ounce of my being  
Struggles for meaning  
Without her here in my life

Baby, now I'm crying out for mercy  
What do I have to do to have her forgive me?  
Am I just wasting my time  
Wondering if I could only have her love back?

I need her love back  
I want her love back  
I want you back, baby
