Don't think I'm sorry is what we need to say
Don't think forgiveness is why we're here today
Guilty, we're both guilty, let's walk through that door

A second chance is what I'm talking about
Let's take the hurt and turn it inside out
Lay it on me baby till I can't take anymore

No mercy, show me no mercy
Love me all night long and don't hurry
Take it slow and easy, no mercy tonight
(No mercy, show me no mercy)

Hold me baby, you know I've been hurting
Love this love back to life 'cause it's worth it
Love me strong baby, show me no mercy tonight

Remember when we thought that being apart
Would be the best thing for both our hearts
It's a prison out there when you're living alone for sure

Now I know how much I really missed you
No more games, just wanna be with you
Just give me all your love till you can't give anymore

No mercy, show me no mercy
Love me all night long and don't hurry
Take it slow and easy, no mercy tonight
(No mercy, show me no mercy)

Hold me baby, you know I've been hurting
Love this love back to life 'cause it's worth it
Love me strong baby, show me no mercy tonight

In the silence of the early hours
I look at you and I feel the power
Don't need promises to make it right
Let's just follow what we're feeling inside

No mercy, show me no mercy tonight

Hold me baby, you know I've been hurting

Love this love back to life 'cause it's worth it
Love me strong baby, show me no mercy tonight
(No mercy, show me no mercy)

No mercy, show me no mercy tonight
(No mercy, show me no mercy)
Love me strong and show me no mercy tonight
(No mercy, show me no mercy)
