Sam Lorber/Thom Hardwell

I pulled on
The highway
Another day for the wanderer
I knew something
Was out there
Around the corner from
where we were
You could have
Cut and run
Straight back to Tennessee
But you stood true
A real rock
And never doubted me
Chorus:
I will be there
Any time you need me to
As much as you believed in me

I'm returning the faith to you
I'm returning the faith to you
You held me
With a sure hand
You gave love every step
of the way
If it takes me
Forever
I'll give back everything
that you gave
Repeat Chorus
Bridge:
You saved me, now baby
I wanna do a little something
for you
Repeat Chorus
