Take our sorrows, take our tears  
Heaven's not so far from here  
Though we struggle, hear us pray  
There will be a better day

Show us mercy, give us rest  
Hold the weary to Your breast  
And for the child who lost his way  
There will be a better day

Alleluia, Alleluia  
There will be a better day

Sweet forgiveness, shining light  
Lift the darkness of the night  
Help us find the strength to say  
There will be a better day

Alleluia, Alleluia  
There will be a better day  
There will be a better day
