(Feat. John P. Kee)

You were there to wrap
Your arm around me
When my nights were cold
And lonely
When I need shelter from The rain
All I had to do was call
Your name

Never let me down
You're always there
Told me all my burdens
You would bear

Never truly understand
Your ways
I understand you love me
And for this I want to say
You are my joy

Because of you I smile
Right in my storm
Your strength is perfect
When I'm weak and worn

Thank you for the love
You give to me
Thank you for your grace
And mercy
When all of these trials
Should make me sad
I will rejoice for you have
Made me glad

You are my joy
