I put a 'For Sale' sign
On the front of my truck
Said, 'Call anytime, I'm always up
Make an offer
One that I won't refuse'

I bought a one-way ticket
On a west bound plane
4 hours later
I was wearing shades in California
Yeah, just hanging loose

I didn't pack one memory
And even though I breathe

I can go where I wanna go
Do what I wanna do
Be who I wanna be
But baby, you still own me

Say what I wanna say
Hear what I wanna hear
Dream what I wanna dream
But baby, you still own me

I was up all night
'Coz I couldn't sleep
Instead of staring at the ceiling
I hit the beach, took a long walk
It didn't help me much

I sat down in the sand
With a handful of shells
Kicked off my shoes
While me, myself and I
Watched the sun come up

Looking out across the sea
Oh well, it finally dawned on me

I can go where I wanna go
Do what I wanna do

Be who I wanna be
But baby, you still own me

Say what I wanna say
Hear what I wanna hear
Dream what I wanna dream
Baby, you still own me

Baby, I'm not in your arms
You still own me
But you're still in my heart

I can go where I wanna go
Do what I wanna do
Be who I wanna be
Baby, you still own me

Say what I wanna say
Hear what I wanna hear
Dream what I wanna dream
But baby, you still own me

Oh yeah, alright
You still own me
