Sun shine down

Brown my skin

Troubled Heart

Beats within

And my soul will rise away

To return anither day

When the Earth consumes my bones

I will find my happy home

My home

Mourning Dove

Sing your song

Call my name

Before too long

And my soul will rise away

To return anither day

When the Earth consumes my bones

I will find my happy home

My home

Ancient eyes

A hopeless stare

I may die

But I don't care

And my soul will rise away

To return another day

When the Earth consumes my bones

I will find my happy home

My home
