He swore this time  
That he would be faithful  
But his lack of discipline  
Pulled him apart  
He swore everytime  
He remembered oh yeah  
Remembered that he promised his heart  
I guess he'll never learn his lesson  
The rules in his book change from day to day  
Once there was a time  
He would care  
But those times just got further away  
He swore this time  
That he would be faithful  
He swore this time  
He would not sin  
He swore this time  
That he would be faithful  
Quite simply  
He gave right in  
Once there was a time he would listen  
His promise and his word were so strong  
But his promise was only as good  
As his memory would serve him wrong  
The adultra walks away  
He swore this time  
That he would be faithful  
He swore this time  
He would not sin  
He swore this time  
That he would be faithful  
Quite simply  
He gave right in  
Once there was a place he could run to  
But the places all disappeared as did his days  
He remembered what an old cock eyed once said  
The bulldog will never change his ways  
He swore this time  
That he would be faithful  
He swore this time  
That he would not sin  
He swore this time

That he would be faithful  
Quite simply  
He gave right in  
(CHORUS Twice)  
Quite simply  
He gave  
Right in
