Wishing on a dream that seems far off  
Hoping it will come today  
Into the starlit night  
Foolish dreamers turn their gaze  
Waiting on a shooting star  
But

What if that star is not to come  
Will their dreams fade to nothing?  
When the horizon darkens most  
We all need to believe there is hope

Is an angel watching closely over me?  
Can there be a guiding light I've yet to see?  
I know my heart should guide me but  
There's a hole within my soul  
What will fill this emptiness inside of me?  
Am I to be satisfied without knowing  
I wish then for a chance to see  
Now all I need (desperately)  
Is my star to come...
