this road is easy
cool, hard and long
and all that keeps me from you
is one hour
that's all.

breathing is simple.
this motion's smooth
as I tire ever only
turning to you.

and yes i'm leaving you this way
with a smile i say goodbye
and the footsteps i'm leaving are beating
keep on my perfect drive.

leaving is easy
this road is home.
cause i shut my eyes and drift back to you
alone.

this look is heavy
that i bring home to you
you're burning easy
with all things made new

and yes i'm leaving you this way
with a smile i say goodbye
and the footsteps i'm leaving are beating
keep on my perfect drive.
keep on my perfect drive.

perfect
perfect drive

leaving is easy
this road is home
cause i shut my eyes and drift back to you.

and yes i'm leaving you this way
with a smile i say goodbye

and the bleeding I'm breathing is healing
as you're drawing me around with every mile.

perfect drive
perfect drive
keep on my perfect drive
keep on my perfect drive
