"Beautiful"

Visit "[Beautiful](#)" on MotoLyrics.com

these golden tunes are played really often
in golden junes and also in winters
Do you feel this mood? not in light, not in darkness
did you feel that good anytime before today?
I don't want it go away

'cos you're not wide awake
you're beautiful, you're beautiful
but you're not meant to stay
you're beautiful today

the breaking dawn
you wanna go home now
the naked sun
it's not really warm now
I don't want you to go away

a free design
you can build up what you want
give your face a shine
you can build up what you want
