"Once"

is the sunset over nowâ€¦
I see darkness riseâ€¦
opening my eyesâ€¦
signal lights spoil the nightâ€¦
who wants it to be brightâ€¦
I'm sitting watching planes fly byâ€¦
they draw lines in the skyâ€¦
so incredibly highâ€¦
bigger clouds spoil the blueâ€¦
I'd like to feel perfection â€¦ only once

â€¦ only once I believedâ€¦
it was time to believeâ€¦
it's the whole that I wantâ€¦
it's not true what I get
once I believedâ€¦
it was space to believeâ€¦
it's mistrust I receivedâ€¦
mistrust I receivedâ€¦

I could stayâ€¦ I could leaveâ€¦
I could wonder whyâ€¦
I'm still watching the skyâ€¦
the tv-news spoils the dayâ€¦
if I could watch perfectionâ€¦
only onceâ€¦

is the sunset over nowâ€¦
I see darkness riseâ€¦
opening my eyesâ€¦
signal lights spoil the dayâ€¦
if I could watch perfectionâ€¦
I'd like to feel perfectionâ€¦
only onceâ€¦
