I'll speak my mind
I'll speak my mind
I'll speak my mind
Yeah, I'll speak my mind
I'll speak my mind
I'll speak my mind
Yeah, I'll speak my mind
I'll speak my mind

I speak my mind
So my mouth shuts up
You know I just don't give a *f*ck*
My mind speaks like a clock
At any given time, problem? What!
That's what I'ma do
I'ma do me while you do you

I need my space I demand to express myself
While I dance to the tune
While I dance to the tune
While I dance to the tune
I need my space I demand to express myself
While I dance to the tune
While I dance to the tune
While I dance to the tune
While I dance to the tune
I need my space I demand to express myself
While I dance to the tune

I'll speak my mind (x8)

I speak my mind
So my mouth shuts up
You know I just don't give a *f*ck*
That's what I'ma do
I'ma do me while you do you
I speak my mind
So my mouth shuts up
You know I just don't give a *f*ck*
That's what I'ma do
I speak my mind

So my mouth shuts up
You know I just don't give a *f*ck*
My mind speaks like a clock
At any given time, problem? What!
That's what I'ma do
I'ma do me while you do you

I need my space I demand to express myself
While I dance to the tune
While I dance to the tune
While I dance to the tune
I need my space I demand to express myself
While I dance to the tune
While I dance to the tune
While I dance to the tune
While I dance to the tune
I need my space I demand to express myself
While I dance to the tune
While I dance to the tune
While I dance to the tune
While I dance to the tune
While I dance to the tune
While I dance to the tune
While I dance to the tune

I'll speak my mind

I speak my mind
So my mouth shuts up
You know I just don't give a *f*ck*
My mind speaks like a clock
At any given time, problem worked
That's what I'ma do
I'ma do me while you do you
I need my space I demand to express myself
While I dance to the tune
While I dance to the tune
While I dance to the tune
While I dance to the tune
While I dance to the tune
While I dance to the tune
While I dance to the tune

Mind, mind
I'll speak my mind
Mind, mind
I'll speak my mind
I'll speak my mind
I'll speak my mind
I'll speak my mind
I'll speak my mind
