--Girl:

When the sky is falling and you're looking round  
for somewhere to hide  
Did you ever call out to someone  
Did you ever call out to me, I've never been gone -  
I've been right here by your side  
There ain't nothin' but clouds  
There ain't nothin' but clouds in your eyes

Why don't you believe it  
when you finally found the truth  
You've been drinking poison water  
from the fountain of youth  
Why don't you stop tearing  
everyone you need the most  
You're so busy trying to get even  
You never even try to get close

I can't explain it away  
It doesn't make any sense  
To know what it's like  
I guess you gotta go through it  
It doesn't matter baby  
Loving you's a dirty job  
But somebody's gotta do it

--Boy:

There were times when we'd never fake it  
There were times when we'd always make it  
There were times when we'd take it to the limit  
And we'd never, never, ever leave each other alone  
We were flesh and blood and bone  
There were times we had it all  
There were times we had it all

--Both:

There were times when we took our chances  
There were times we were damn good dancers  
There were times when we heard all the answers  
In the beating of the drummer  
and the riches of the rock and the roll

I can see right through your soul  
There were times we had it all  
There were times we had it all

If you were a woman and I was a man  
Would it be so hard to understand  
That a heart's a heart and we do what we can  
If you were a woman and I was a man  
If you were a woman and I was a man

--Boy:  
If your fears could only be forgotten  
We could pull all of the barriers down  
Would you follow your dreams' desire  
Would you follow your secret dreams  
and forbidden fire  
Let's just peel out of this town

--Both:  
It's been nothing but dreams  
It's been nothing but dreams until now

--Boy: You're never gonna see it

--Both: You got your head stuck in the sand

--Boy: It's the land of the free and easy street

--Girl: It's the home of the damned

--Boy: You're never gonna see it

--Both: You better open up your eyes

--Girl: You're the only one who's left --

--Both: Who's gonna believe all your lies

--Boy: I can't explain it away It doesn't make any sense

--Both: To know what it's like  
I guess you gotta go through it  
It doesn't matter baby

--Girl: Loving you's a dirty job but somebody's gotta do  
it

--Boy:  
There were times when our bodies glistened  
There were times that we can't stop missing  
There were times that we'd lay in bed and listen

--Both:

To the pounding, pounding chorus  
of our desperate hearts  
Nothing could have torn us apart  
There were times we had it all  
There were times we had it all

--Girl:

There were times when we fought like tigers  
There were times we were damn good liars

--Boy: There were times we extinguished every fire

--Both:

That was burning, burning,  
burning up each other alive  
From the heavens on down to the dives  
There were times we lost it all  
There were times we lost it all

There were times when we fought like tigers  
There were times we were damn good liars

--Both:

There were times when our bodies glistened  
There were times that we can't stop missing  
There were times that we'd lay in bed and listen  
To the pounding, pounding chorus  
of our desperate hearts Nothing could have torn us  
apart There were times we had it all There were times  
we had it all
