(Jerry Lynn Williams)

I'm so sorry baby  
I was the one who  
hesitated  
And I know how you suffered  
And I know how long you  
must have waited  
But now both my eyes are  
open  
And I can truly see  
Can you ever forgive me darling  
Can you ever forgive me baby

I must have been crazy  
My little heart must been leakin'  
I admit it babe  
I admit,  
I was first to weaken  
But I love you oh so much  
And it ain't no doubt  
You know what I'm talking about  
Can you ever forgive me darling  
Can you ever forgive me baby

Cause I just want a little bit, little bit  
Honey I don't need a lot  
I just want a little bit, little bit  
of what you got

I just want a little, baby  
Honey I don't need a lot  
I just want a little bit, little bit  
of what you got

I'm so sorry babe  
I was the one who hesitated  
And I know how you suffered  
And I know how long you must have waited

But now both my eyes are open

And I'm sorry as I can be  
Can you ever forgive me darling  
Can you ever forgive me baby

Cause I just want a little bit, little bit  
Honey I don't need a lot  
I just want a little bit, little bit  
of what you got
