Can't wait until I'm in your arms
Your kiss sets me on fire
I've never felt so alive
Come on and take me higher
I don't know what it is that makes
Me feel the way I do

But - you're the one that's always
Been on my mind
And I'll be there when you want me to

-Chorus 1:

Whenever you need me
I'll come running
Whenever you want me
Only I will be there
Whenever you need me
For the good times and bad
Anytime, anywhere
I don't care I will be there

I'm the one you're with tonight
This love will never die
Just one touch drives me insane
It makes me want to cry
I'm feeling hot inside and I can't
Control the way I feel

But - I keep you up
Whenever you are feeling down
And I hope you'll
Always want me around

-Chorus 2:

Whenever you need me
To be your lover
Whenever you want me
Just one call I'll be there
Whenever you need me
I'll be the best you've ever had
Anytime, anywhere,

I don't care I will be there

Whatever you want me to
Whenever you ...
