She's got something to say to the world

She wants to know if she could tie it up

So it can't move, she is feeling inspired

she said it's too cool for it's own good

She's kinda freaky

She's kinda weird

She's kinda freaky

But I don't know

I think she's a genius

If she could only just slow it up

Then she could get out really quickly

She thinks the chances are

Pretty high, pretty high, pretty high

She's kinda freaky

She's kinda weird

She's kinda freaky

But I don't know

I think she's a genius

She had that slow motion thing happen

And she wants to tell you about it

But you know, you know, you know

She does not trust you

She knows all you are is lucky

She's kinda freaky

She's kinda weird

She's kinda freaky...

But I don't know

I think she's a genius
