[Slug]

I'm not a player I throw up a lot

"I know"

The wicked walk amongst us and you don't know me
that well

Prolly shouldn't trust the story I tell

I'm gonna speak it how I saw it because I call you my
friend

So take a drink from the gauntlet and sit down wind

Once upon a time before gas masks at school

Back when cash was the golden rule

There were two super heroes who tried to bring love to
the earth

One was slug the other one was Murs

Who wanna smoke blunts and live with their mommies

Two mouths to feed no urge to succeed

Cause the music don't inspire him to go take the lease

Get the kitten out the tree

Bring evil to its knees

Clean its mouth out with bleach and send it on its way

Bring the children a better day

So we try to warm them up give them a blast through
the speakers

Cause we leaders of the new power biding silent

speakers
And we drownin out the weaker
Findin rhymes like heat seekers
From the blasts that's in the wrists
Combat and evil with some whacks and a fist
On tracks we don't miss
And candy classic hits
Who's the team that can't be dissed

[Chorus:Slug]

Its the two

Its the two

(You can not see it)

The two

(The keepers of the wisdom and powe
