Man, I have blue balls, so fuck a blue tape I'm tryin' to find a b-girl that wanna to eat a tube steak

[Mac Lethal] Cause they're all vegetarians and don't chew meat They're rather have a Kansas City tofu treat Or they're pregnant in the kitchen and they're pushin' out my babies Battle me, quit lookin' at the ladies

[Murs] But did you see that chick with my CD in her hand? (No) I hope I'm the reason that she came to Scribble Jam To watch the MC Battle while we hold hands Wait, she's talkin' to Pace, hope I still gotta chance

[Mac Lethal] Pace gets girls that ain't even in your roll call Your beard looks like pubic hair on a troll doll Those girl lines are from sixth grade son I got 99 lines but a bitch ain't one Hit me [Murs] Ohhh, that was vicious Man, look at these bitches Adidas sweatpants, tank tops so delicious Man I'm out of town, it might not sound right But fuck it, I might eat a little pussy tonight
