Well I had her in the palm of my hand  
Then I woke from the dream  
I was sleeping  
She came and went as fast as they can  
And now she's gone, now she's gone  
Now she's gone

Not how I want it to be  
But I don't wanna chase you  
For miles and miles  
I need you closer to me  
But better get in line, get in line  
Get in line

Oh, oh everybody wants you  
But you know, know  
And baby that's the problem  
'Cause you see, see  
Girl I need you falling for me

Well I had her in the palm of my hand  
And it swear  
It's like the room started trembling  
I felt the music on the back of her neck  
But now she's gone  
So gone

So how am I gonna be the one  
To wake up shining in the sun  
I don't wanna let her get away  
But then again  
Nobody does  
I better wait in line, wait in line  
Wait in line

Oh, oh everybody wants you  
But you know, know  
And baby that's the problem  
'Cause you see, see  
Girl I need you falling for me

Oh, oh everybody wants you  
But you know, know  
And baby that's the problem  
'Cause you see, see  
Girl I need you falling for me

Why do the ones that you love  
Go through your fingers  
Like water, water, water  
But that's when you realize  
You won't be good  
'Til you've got her, got her, got her

Oh, oh everybody wants you  
But you know, know  
And baby that's the problem  
'Cause you see, see  
Girl I need you falling for me

Oh, oh everybody wants you  
But you know, know  
And that's my biggest problem  
'Cause you see, see  
Girl I need you falling for me  
(Girl I need you falling for me)  
Girl I need you falling for me  
(Girl I need you falling for me)
