Sun goes down on another day
Had one too many but I feel okay
Put me to bed, baby, there I'll stay
Dreaming, yeah, yeah, yeah

Oh, come to my bed, I'll show you my love
Don't try to leave, I won't cry at all
I'll hold your hand, baby, I'll stand tall
'Cause I love you

I believe in my good times
I believe in my music
I believe in what we can achieve
Yeah, I believe we can do it

Oh, show me a lover and I'll write you a song
Say that this love is a game, baby, come on and play
along
This feels so right, how can it be wrong?
It's the moment

I believe in my good times
I believe in my music
I believe in what we can achieve
Yeah, I believe we can do it

Yeah, yeah, yeah
Oh, this feels so right, how can it be a wrong?
It's the moment

Yeah, yeah, I believe in my good times
Yeah, I believe in my music
I believe in what we can achieve
Yeah, I believe we can do it

I believe in my good times
You know I do, oh
Yeah, I believe in my music
I believe in what we can achieve
Yeah, I believe we can do it
(I believe we can do it)
I believe we can do it

So let's do it
Yeah, baby
