Hmm, hmm yeah

Tomorrow I'll be leavin'
But tonight I'm here with you
And lately there's been no reason
And I take all I can use

Baby, I've been waitin'
I've been waitin' all on my own
And selfishly I've been takin'
All I can, I'm going home

Yeah, lately there's been no problem
And I take all the love and abuse

And I'll tell ya'
Yeah, I'll tell ya'
Baby it's all the truth
As I make my last promise to you

Yeah lately there's been no problem
And I take all the love and abuse

And I'll tell ya'
Yeah, I'll tell ya'
Baby it's all the truth
As I make my last promise to you

Oh yeah I do
Girl as I make my last promise to to you
Last promise to you
Promise to you, you
