Everytime I think of you
I always catch my breath
I'm still standing here
And your miles away
And I wonder why you left me
And there's a storm that's raging through my frozen
heart tonight

I hear your name in certain circles
And it always makes me smile
I spent my time just thinkin about you
And it's almost driving me wild

[Bridge:]

But it's my heart that's beggin down this long distance
line tonight

[Chorus:]

And I ain't missin' you at all
Since you've been gone... Away
I ain't missin' you
No matter what I might say

There's a message in the wires
And I am sendin' you a signal tonight
You don't know how desperate I've become
And It looks like I'm loosein' this fight

[Bridge:]

But it's my heart that's breakin' down this long dusty
road of mine

But I ain't missin' you at all
Since you've been gone... Away
I aint missin' you at
No matter what my friends say

And there's a message that I'm sendin' out
Like a telograph to you or something
I can't bridge this distance
Honey, stop this heart ache all alone

I ain't missin' you at all
Since you've been gone... Away
I ain't missin' you
No matter what my friends say
I ain't missin' you
Since you've been gone... Away
I ain't missin you
Yeah, no matter what your friends say

Hey yeah, yeah yeah yeah

I ain't missin you at all
Since you've been gone... Away
I ain't missin' you
Nooo
