Every time I think of you  
I always catch my breath  
And I'm still standing here and you're miles away

And I wonder why you left  
And there's a storm that's raging  
Through my frozen heart tonight

I hear your name in certain circles  
And it always makes me smile  
I spend my time just thinking about you

And it's almost driving me wild  
But it's my heart that's breaking  
Down this long distance line tonight

And I ain't missing you at all  
Since you've been gone, away  
I ain't missing you  
No matter what I might say

There's a message in the wires  
And I'm sending you a signal tonight  
You don't know how desperate I've become

And it looks like I'm losing this fight  
But it's my heart that's breaking

Down this long dusty road of mine

And I ain't missing you at all  
Since you've been gone, away  
I ain't missing you  
No matter what my friends say

And there's a message  
That I'm sending out  
Like a telegraph to your soul

If I can't bridge this distance  
(Huh)  
Stop this heartache all alone

I ain't missing you at all  
Since you've been gone away  
I ain't missing you

No matter what my friends say  
I ain't missing you  
(Yea, missing you)

Since you've been gone away  
(Missing you)  
I ain't missing you  
(Yea, missing you)

No matter what your friends say  
Hey, yea, yea, yea, yea  
I ain't missing you at all

Since you've been gone away  
I ain't missing you  
No, and no matter what my friends say
