Saturday mornin'  
Shake off the sheets and open my eyes  
Baby, do you know what's going on tonight?

I miss someone  
Maybe she's not a crazy girl like you  
But let me tell you baby, she's gonna do

No hesitatin'  
Hey, there's gonna be a picture showin' now  
And maybe if she's lucky dinner on the side

Well, girl I said I loved you  
Well, I wrote you a song, played it many times  
With so many rhymes, what did you do?

Girl, I've been waiting for oh so long  
I'd like to see him  
Write you a song, yeah you're my

Shy girl, she's the only thing that keeps my mind  
From wondering every time I'm thinkin' 'bout you, yeah  
Shy girl, it's not that I don't mind the silence every time  
It's just not you, no no

Your friends are careful  
I try to read the look in their eyes  
Like there all saying, "Man, I feel bad for this guy"

Maybe it's paranoia  
It's all in my head, I say to myself  
Or maybe it's in my heart sitting on the shelf

Girl, I can say  
I don't need you  
But I know in my heart it's just not true

Shy girl, she's the only thing that keeps my mind  
From wondering every time I'm thinkin' 'bout you  
Shy girl, well it's not that I don't mind the silence every  
time  
It's just not you, no

Girl, I can say  
I don't need you  
But I know in my heart it's just not true

Shy girl, she's the only thing that keeps my mind  
From wondering every time I'm thinkin' 'bout you  
Shy girl, well it's not that I don't mind the silence every  
time  
It's just not you, no no

You're my shy girl, she's the only thing that keeps my  
mind  
From wondering every time I'm thinkin' 'bout you  
Shy girl, it's not that I don't mind the silence every time
