Well, that's all right, little mama
That's all right for you
That's all right, little mama

Just any way you do
That's all right, that's all right
That's all right, little mama
Any way you do

Well, Mama, she done told me
Papa done told me too
"Son, that gal you're foolin' with
She ain't no good for you"

But that's all right
That's all right
That's all right, little mama
Any way you do

Well, I'm leavin' town now, baby
I'm leavin' town for sure
Well, then you won't be bothered with me
Hangin' 'round your door

That's all right, that's all right
That's all right, little mama
Any way you do

I need your lovin'
That's all right
That's all right, little mama
Any way you do
