Ubawareta basho de mukuwarenu yume o mita
resounded mad noise
for gnawed gray time
Mujun darake no kioku ni shihai sarete
endless conflict
It keeps enduring

Yasashii ame ni usurete yuku joukei
Anata no omokage dake kienai

Tozasareta sora no shita saiiro ni somaru sekai
Doko made yukeba kokoro ni hikari ga sasu no darou

flashback... lost feelings
distraught... drive me crazy

Yukiba o nakushita kotoba wa rasen no naka
resounded mad noise
for gnawed gray time
Mou taekirenai itami ikusen no toki o koete
endless conflict
It keeps enduring

Hikari afure saihate no chi e to utsusu omoi wa
Asu o kaerareru darou ka

Furisosogu kanashimi ni toozakaru kagayaki wa
Nagareru toki ni dakareta hitohira no yume ni nemuru

Yami ni ochite yuku kuzureochite yuku
Muryoku na mi to kokoro
Hakujitsu ni se o mukete tadoritsuku basho ni wa...

flashback... lost feelings
distraught... tell me why
