Seijaku ni tsutsumarete
Nagi no sora ochite yuku
Ima wa mada kienai tsumetai joukei ni
Kizuato nokoshite...

Deep voices were release from the fated
Wake up, already it comes there
Nobody can't refuse the reality
I'll find myself

Shinkuu ni madoromu ishiki no naka
Kimi ga inai dare mo inai
Jikuu o koeta saigo no hikari
Musuu ni chirabaru omoi o terasu

There is sense of values, that transcends the reason to
live
Something will happen soon
Nobody can't refuse the reality
I'll find myself

Kankaku o mushibamu akui no uzu
Nigerarenai tomerarenai
Haikyo ni noboru oboroge na tsuki
Kuukyo na hizumi ni nani o omou
Guuzou ni sugaru haijin no mure
Kotae wa nai ibasho no nai
Mi o torikakomu intsuu na kage
Futatsu no mirai ni kutsuu o kazasu

Risei no metsubou ishiki mo koe mo nakushi
Mirai o tozashita mama nani mo kikoenai mama...

Hakanaku usurete yuku negai wa todaeta
Mou modorenakute mo kamawanai
Ima koko ni iru imi sae mienaku nareba
Nani hitotsu kawaranai darou
Wasurearenai itami ga
Yami no mukou utsushidasu

Maiagare kanashimi

Koe ga kienai you ni

Kurikaeshita gisei no ato
Ushinau kowasa ni shibararete...
Sore de mo itsuka tsukameru to shinjite te o nobasu

Hirogaru sora ni ukabu ikusen no hikari
Todokanai omoi o ima terashite
Tooku kasunde yuku sugata wa yami no naka
Ano toki doushite te o hanashitan darou
Hakanaku usureyuku negai wa todaeta
Mou modorenakute mo kamawanai
Ima koko ni iru imi sae mienaku nareba
Nani hitotsu kawaranai kara

Semete kimi ni tsutaetai
Yakeru ai o kono toki ni

Ushinau kankaku futei na kage o nokoshi
Te o sashinobararete mo nozomu mono sae nai
Risei no metsubou ishiki mo koe mo nakushi
Mirai o tozashita mama nani mo kikoentai

Shinkuu ni madoromu ishiki no naka
Kimi ga inai dare mo inai
Jikuu o koeta saigo no hikari
Musuu ni chirabaru omoi o terasu
