Kono mune ni wazukana negai o daite
Semaru kyoki no Slave owa reru yo ni
Moraru to iu nukui kubiwa kaketa
Naifu o kazashite gyakko suru no sa
Hyoteki wa kobiru mekakushi no Sleazy

true my heart. kiss me.

Kata made nobita kami wa zaratsuku kokoro ni nite
Subete ni kiba o muketa boku ga bokudearu tame ni

my self
I ask "Knife"
this is my fears
hate and pain

Tsukamenai hodo toku e setsuna-sa ni owari wa nakute
Soredemo boku wa koko de tobitatsu tsubasa o daite

Boku o miseta no wa shikakui tenjo
Iki o tometa mama girigiri no Deeds
Sekirara ni saita bara mo you
Kubi ni saku cho no TATOO o kujiji akete

but I trust nobody and live in Loneliness.
why can't you understand it?
are you ready?

true my heart. kiss me.
