Sukuwa renai higeki o
Owari o shiru sono hitomi ni

Dare ka ga machigaeru hikigane wa yatsu no te ni
Kuroi ame ni somaru nageki wa hai to kaki keshi

I know a maze without the end

Kishimu sora no himei ni mimi o azuketa shojo wa te o
furi
Ashinami o soroeta itsuwari matou seigi ni hohoemu

Why does the tragedy repert itself?

Hosometa shisen no muko de fukaku fukaku nemure
Kuroku kurai uzu no naka de tsuyoku tsuyoku sakebe

Matou yami o tsuyoku hegase takaku takaku warae
Kagayaki no mama kakinarase mune ni mune ni
kizame

ENDLESS TRAGEDY
