Oh rapes you. Please do not disturb.
There is no remedy HATE but to HATE more.
YEAH!
I Don't Mean to Insult You,
I want to violate it.

Red hot and plenty of glamorous .
There is no remedy LOVE but to LOVE more.
YEAH!
I Don't Mean to Insult You,

Etsuraku ni mitare
Koshi furi akashita yoru wa hatenaku
Lonely Lonely Lonely ,
Han kyoran ni nurashite

I don't feel like a body .
I want the delight
NO! NO! NO! NO! NO! NO! feel you know?
I Don't Mean to Insult You.

Oh rapes you. Please do not disturb.
There is no remedy for

[KISS YOU]

YEAH!
I Don't Mean to Insult You.

Etsuraku ni mitare
Koshi furi akashita yoru wa hatenaku
Lonely Lonely Lonely ,
Han kyoran ni nurashite
