Reason was throw away
Awaken to the eye
No fear ? No sober ?
Gracefully....
Sweet sacrifice denial

Amai kaori Venus koyoi temaneki sasou
Tsurare tsurareta omae ni azawarau ka no you na
Sweet Heaven

Aa kirisaku Mask ni kubi ni katagete warau
Yoi ni yoi shire karanda yuuwaku ni
Bloody craving is vomited

I am cold - blooded
Genocider

Yureru kage chi wo kurau mujaki ni kaoru mitsu hana
Makka ni saite shizuka ni moeru kanki yamazuru

Odoru kage tare nagasu chi namagusaku hohoen de
Mono iwanu kizu warai todaezu koko ni utau

I'm still for you
Dare hitori mo kizuka nakute
Furueru te nobasu

Yureru kage chi wo kurau mujaki ni kaoru mitsu hana
Makka ni saite shizuka ni moeru kanki yamazuru

Odoru kage tare nagasu chi namagusaku hohoen de
Mono iwanu kizu warai todaezu koko ni utau...
