I don't wanna be here
I don't wanna believe that this could be the day
I don't wanna reach out
Just to have it all taken away

Got one foot in the door
But I can't face my fears if I'm looking back
I can't hide anymore
So I take one more look at my past and
Turn , I turn

I gotta be brave (x3)
And though I'm afraid
To fall in the plain
It's my life that I shape
Now it's a time for me to be brave

It can't hurt just to hope
Like my heart's trying to break out through my chest
Wanting something so bad
Makes it hard just to take the first step and
Turn , I turn

I gotta be brave (x3)
And though I'm afraid
To fall in the plain
It's my life that I shape
Now it's a time for me to be brave

This is up to me and nobody else
It's my chance to feel better
So I say a little pray of myself
This is now or never
Oh I take a proper look at myself
And everything that I've learned
And turn (x7)

I gotta be brave (x3)
And though I'm afraid
To fall in the plain
It's my life that I shape

Now it's a time for me to be brave
