Ooooooooooooooh oh oh oh oh oh  
Love is a drug and I feel like getting high,  
While it's fixed with a kiss I'm risking suicide,  
Well I'm living for the moment, I'm living for tonight,  
I clean forgot she left me paralised.  
When I'm touching her hair it's a blast from the past,  
See the strings, theres a bow, yeah I now it won't last,  
She turns me on, I can't just go on fast,  
Keeping my mind at first, one my task,

Oh I'm in trouble (I'm in trouble),  
Feels like I'm losing my mind again (losing my mind),  
Now I'm right back to where I started,  
I've got to mend this broken heart of mine all over  
again,  
I've been foolish (foolish),  
Foolish (foolish),  
Foolish with my hands held high (hands held high),  
Girl I'm round up to where I started,  
I'm pleading guilty to a crime that my heart just cannot  
deny.

Mm mm mm mm mm oh oh  
Dub and taquila how easy we forget,  
All the misery and pain got me crushing canaflex,  
Seem to suffer from a case of delep memory,  
I clean forgot how she walked all over me,  
No, no, no can't help myself in the end I'm just a man,  
With my sexual needs for your tender loving hands,  
I ain't lying when I say there are no strings attached,  
When I look at her I swear my mind goes blank,  
Oh (oh) I'm in trouble (I'm in trouble),  
Feels like I'm losing my mind again (feels like I'm  
losing my mind),  
Now I'm right back to where I started (where I started),  
I've got mend this broken heart of mine all over again  
(all over again),  
Foolish (I've been foolish),  
Foolish (foolish),  
Foolish with my hands held high (high),  
Girl I'm round up to where I started (where I started),  
I'm pleading guilty to a crime that my heart just cannot  
deny.

Mm wowo wow wow wow  
Wooooowooooowow  
Yeahhh yeah yeah  
Da dumb dumb dumb  
Da da da, da da da da da da dumb  
For a touch or a kiss what do I stand to loss?  
Baby losing my mind is better than losing you,  
Somebody tell me why do I gotta choose?  
I'm all excited but keep getting ignored,

Oh (oh) I'm in trouble (I'm in trouble),  
Feels like I'm losing my mind again (feels like I'm  
losing my mind),  
Now I'm round back to where I started (where I started),  
I've got to mend this broken heart of mine all over  
again,  
Oh I've been foolish (foolish),  
Foolish (foolish),  
Foolish with my hands held high (high),  
Oh I'm round up to where I started (where I started),  
I'm pleading guilty to a crime that my heart just cannot  
deny (heart just cannot deny),
