Fortunately you have that someone who relies on you  
We started out as friends but the thought of you just  
caved me in  
The symptoms are too deep it is much too late to turn  
away  
We started out as friends

Sign your name across my heart  
I want you to be my baby  
Sign your name across my heart  
I want you to be my lady

Time Iâ€™m sure will rain  
Disappointments in so many things  
It seems to be the way  
When youâ€™re gambling cards, on love you play  
I rather be in hell with you baby  
Then in cool heaven  
It seems to be the way

Sign your name across my heart  
I want you to be my baby  
Sign your name across my heart  
I want you to be my lady

But never look into the sun before the day is done  
All of our charts write it on a peaceful day  
Stranger blues leave us alone we donâ€™t want to deal  
with it  
Oh we spend our day showering in the room that  
makes the rain

Sign your name across my heart  
I want you to be my baby  
Sign your name across my heart  
I want you to be my lady

Sign your name across my heart  
I want you to be my baby  
Sign your name across my heart  
I want you to be my lady
