No no

Yeah Yeah

Every time I rise and fall
When I thought id seen it all
But my backs still up against the wall
First you was good to go
Then you turned around and said no no
And as Iâ€™m walking out the door

She said you love your life so well
Donâ€™t u go kiss and tell
It is heaven or is it hell
Say it ainâ€™t true
Iâ€™m just a sucker for you

Why do I do
I get on the same old rhymes
Why do I do
The things that I know ainâ€™t right
Why do I do?
I trip on the same old lines
Why do I do that to myself
Oh why

Here I go down this road again
Like a fool I keep jumping in
Must be all this punishment
But the days gonna come around
Sheâ€™ll be calling my name out loud
And the tables gonna turn around and ill say

You love your life so well
Youâ€™ll feel the pain I felt
There ainâ€™t a hope in hell
Say it ainâ€™t so
But Iâ€™m helplessly hopelessly wrong

Why do I do
I get on the same old rhymes

Why do I do
The things that I know ain't right
Why do I do
I trip on the same old lines
Why do I do that to myself
Oh why

Back to front and front to back
The way she's got me tightly wrapped
Around her finger around her finger
Side to side and up and down
The way she got me spinning round
Falling down

I need her
I need her
I need her
Yeah
Who is it babe

I'll give her all I have
I know it bad but ain't no turning back

Why do I do
I get on the same old rhymes
Why do I do
The things that I know ain't right
Why do I do
I trip on the same old lines
Why do I do that to myself?
Oh why

Repeat to end
