All these people bringing me down
And I can't come up for air
All the stunts been hitting around
Made me feel like no one cared

But my elbows are up in the clouds
Never thought that I force fair
So I pushed it off of my shoulder
Had to get myself prepared

It's true the grass is greener on the other side
Now it's my time
Now it's my time
You can rest assure that the city boy
Got a chance as big as mine
Now it's my time, ye ye ye uhhh

Even those old verelan days
Made me shed oh I do why
I had to look at the bigger paint
I had to get my spirits high

And I love to run off and force
Doesn't mean it's time to cry
Had to run a million miles a day
When I wanted a pearl and die

It's true the grass is greener on the other side
Now it's my time
Now it's my time
You can rest assure that the city boy
Got a chance as big as mine
Now it's my time, ye ye ye uhhh

You can rest assure that the city boy
Got a chance as big as mine
Now it's my time, ye ye ye uhhh
Now it's my time, ye ye ye uhhh
Now it's my time, ye ye ye uhhh

You can rest assure that the city boy

Got a chance as big as mine
Now it's my time, ye ye ye uh-hh
