Watered down emotions don't cater well to the  
dissident heart  
And staring glances only make a heart wander  
I think I'll throw these emotions to the wind  
and let them scatter, just let them scatter

The good guy never wins  
Don't you see it's not me in your arms?  
So don't try and tell me differently  
I'm not impartial to a sacrificed romance  
Based on feelings floating in the breeze

I'll reject the moon and the night altogether  
Listen to the music, just try to understand the  
afternoon  
And maybe I'll sit here for forever until I die  
And maybe the night will never come

The good guy never wins  
Don't you see it's not me in your arms?  
So don't try and tell me differently  
I'm not impartial to a sacrificed romance  
Based on feelings floating in the breeze
