Say it's not over
Say it's just begun
Taking our chances
On the run
Well we might be right
And we might be wrong

All I know is the worst is gone
And it's all right here
It's all right now
I think that I have figured it out
Well maybe it's time to live this life

I know it's not easy
But it's not that hard
You gotta run with your feelings
Lead with your heart
And we might fall down
And we might take flight
Oh we won't look back
And wonder why

Hey, yeah, yeah
(Hey, yeah, yeah)
Ohh
Hey, yeah, yeah
(Hey, yeah, yeah)
Ohh

Well it's all right here
It's all right now
I think that I have figured it out
Well maybe it's time to live this life
Well maybe it's time to live this

Hey, yeah, yeah
(Hey, yeah, yeah)
Ohh
Hey, yeah, yeah

I'm a long way from home

And it's all right here
It's all right now
I think that I have figured it out
Well maybe it's time to live this life
Well maybe it's time to live it right
Well maybe it's time to live this
