#### VERSE 1

He used to give me roses,  
I wish he could again;  
But that was on the outside,  
And things were different then.

We'd built our world together,  
With a love so clear and strong;  
But that was on the outside.  
Where did i go wrong?

\*\*\*\*\*

#### CHORUS

On the inside the sun still shines,  
And the rain falls down;  
But the sun and rain are prisoners too,  
When morning comes around.

#### VERSE 2

Last night i dreamed we were together,  
Sharing all the love we've known;  
Til i had to face the nightmare,  
Of waking up alone.

\*\*\*\*\*

#### CHORUS

On the inside the sun still shines,  
And the rain falls down;  
But the sun and rain are prisoners too,  
When morning comes around.

On the inside the roses grow;  
They don't mind the stoney ground;  
But the roses here are prisoners too,  
When morning comes around.

\*\*\*\*\*

He used to give me roses,  
I wish he could again;  
But that was on the outside,

An things were different then.
