(2X)

Young, Sad and Blue
Cause we're thru'
(And no one gonna want you boy)
Young, Sad and Blue

Hate to say Sad and Blue
Cause I'm actually ellated
that I'm getting rid of you

No more prank calls on my telephone
Crazy chickenheads asking me
Baby if you've come home
Wandering eyes,
Endless lies,
Bottomless pits
of your bullshit
Making me cry

Things that aren't true
Patience for you
I have to say goodbye to all this pain
I hope I never see ya face again
Because I'm...

(2X)

Young, Sad and Blue
Cause we're thru
(And no one's gonna want you boy)

I used to trip off your chest and pretty smile
But now I see your true self
For what you really are

Your sex was just tactics for things yo couldn't do
And now that we're not together
I aint gotta fake it thru

Wandering eyes,
Endless lie,
Bottomless pits

Of your bullshit
Making me cry

Things that aren't true
Patience for you
I have to say goodbye to all this pain
I hope I never see ya face again
Becasue I'm...

Young, Sad and Blue
Cause we're thru
(And no one's gonna want you boy)
--repeat
