She woke in the mornin'
Looked at the sky
Cool breeze was blowing
Sun about to rise
She looked over the town
And the man she loved so long

She walked through the doorway
Said a silent goodbye
Stepped from his cradle
Tears in her eyes
She won't ask the neighbors
Remembering what they said

Oh, but you'll never win
Livin' in a world full of sin
You'll be back here again
Time moves so fast, can't help livin' in the past
And you know this won't last, Marilyn
You've been dreamin' again

It was long bound to happen
She was young, she was wild
She wanted everything they couldn't provide
The words of a stranger was all she dreamed of now

Oh, but you'll never win
Livin' in a world full of sin
You'll be back here again
Time moves so fast, can't help livin' in the past
And you know this won't last, Marilyn
You've been dreamin' again

She woke in the mornin'
The room got no light
Hard gettin' sleep
With the noises at night
It was cold in her blankets
With nobody by her side

We all get a feelin'

Can't be denied
Don't let 'em tell you
It's useless to try
You may not find much
But it's yours and yours alone

Oh but you'll never win
Livin' in a world full of sin
Keep your back to the wind
'Cause, time moves so fast
Can't help livin' in the past
And you know this won't last, Marilyn
You've been dreaming again
Time moves so fast, and it's just beyond your grasp
But this time it may last, Marilyn
You've been dreamin' again (x4)
